Next Level Examination

Student's Name: _____ Date: _____
Parent's Name: _____ Phone #: _____

Dear Teacher,

Our students here are involved in a training program, in pursuit of their black belt. Being a black belt is not only a physical challenge, but also a mental challenge. Some aspects of their training include respect, honesty, courtesy, perseverance, and self-control. These goals are achieved through proper discipline and training.

The student named above has been training for an extended period of time and is eligible, by our standards, for a higher rank. We feel that school should come before Tae Kwon Do. We would like to make sure the students school-work is not below your expectations before they can test for the next level. If a student is falling behind in school, we will postpone the date of their examination. In respect to their discipline and training we ask you to grade their performance in school with the following form.

Sincerely Yours, In W. Kim's Martial Arts Academy &
Grandmaster In w. Kim
